Nissan Forklift

Nissan prides itself on reaching complete customer satisfaction when their client is enjoying one of their numerous trucks, cars or lift trucks. Nissan Forklift branch is a wholly owned subsidiary of Nissan Motor Co. Ltd. They are committed to offering high value and meticulous quality values to their clients. Incorporating a prosperous heritage combined with solid production principals, Nissan lift trucks offer a few of the finest materials handling equipment the industry has to offer.

Nissan Forklifts has a short time ago added a European manufacturing warehouse in Sweden to keep up with worldwide forklift demands. Dedicated to delivering consumer support, the business has four distinct production facilities that allow them to continually adapt to their customers continually evolving requirements by providing a range of innovative ideas and designs.

Nissan Forklift operations for North and South America is based in Marengo, Illinois. Home to a team of 350 personnel, they are devoted to the design, fashioning, and support of their forklift products. Utilizing ISO standards (ISO-9001 and ISO-14001 certifications) this enables sectors of the Nissan Forklift Operation to maintain environmental responsibility by using techniques and procedures that lessen their environmental footprint. These high standards remind clients that Nissan operates under the quality seal that their clients insist upon whilst being an environmentally responsive company.

Nissan is assured that they will be capable of addressing any customer questions or concerns. Always available through their website or by calling 800.871.LIFT, contacting one of their locally endorsed dealers or even visiting their Midwestern facility, Nissan Forklift Corporation is sure you will be impressed with their hospitality and commitment.
